SEMICONIC

Manufacturing Faith...

About us

Semiconic Devices, founded in January 2011 and registered in October 2011, is an organization with a core expertise in the distribution of electronic components.

As the leading distributor of electronic components in India, Semiconic Devices is synonymous with innovation and has become one of the most reputed names in the market. With well-established roots in almost every region of India, we have catered to more than 1200 customers across various segments over the last decade.

SEMICONIC DEVICES

SINCE 2011

LOCATION & NETWORK

LOCATIONS :- Sales & Marketing

- » **Head Office** – Noida
- » **Sales Office** – Mumbai, Kolkata, Pune & Bengaluru.
- » **Shipping From**
 - **New Delhi** (India)
 - **Hong Kong**

FOCUSED SEGMENTS

Smart E-Meter

BLDC Fans

PROCESS

BUSY

- » Realtime stock Accessing
- » Effective order Processing
- » Perfect Accounting

CRM

- » World's No-1 Software
- » Lead Management
- » Real time Dispatch Tracking

WAREHOUSING

- » Rack system
- » Barcode Tracking
- » Minimal error process

PARTNER IN PRODUCT DEVELOPMENT

Lab & Testing

Tiny Konekt offering a wide range of PCBA solutions

- ▶ Technical expertise.
- ▶ In-house design team.
- ▶ Direct to market solutions.
- ▶ Strong sourcing of component.
- ▶ Customization flexibility.
- ▶ Robust and reliable.
